**RESPONSE TO RESTRICTION REQUIREMENT**

Dear Sir:

In the Official Action dated March 15, 2005, the Examiner required restriction under 35 U.S.C. §121 to one of the following groups:

- I. Claims 1-15, drawn to a support bracket and support assembly, classified in class 211, subclass 105.1.
- II. Claims 16-19, drawn to a hook, classified in class 248, subclass 304.

Applicant hereby elects, without traverse, the group labeled in the Office Action as Group I, claims 1-15.

It is believed that the above represents a complete response to the restriction requirement.

Respectfully submitted,
